MAHALA DOYLE

Real Estate Appraiser

Under the supervision of a licensed appraiser, Mahala prepares appraisals for commercial real estate for a wide variety of property types. She is working towards certification as a General Real Property Appraiser and has completed additional education with regard to that goal. Once her state certification is earned, Mahala plans to pursue the MAI designation from the Appraisal Institute.

Mahala joined Iowa Appraisal in 2018 while finishing her degree at Iowa State University. An Iowa native, Mahala grew up in rural Tama County on her family's row crop farm, giving her hands-on experience in the agricultural arena.
